ICONICS Named 2019 Microsoft Partner of the Year Finalist

Company Recognized in Manufacturing and Resources Category

Foxborough, MA – June 6, 2019 – [ICONICS](http://www.iconics.com) is a global automation software provider and six-time winner of the Microsoft Partner of the Year award, providing advanced web-enabled OPC UA and BACnet certified visualization, analytics, and mobile software solutions for any energy, manufacturing, industrial or building automation application. ICONICS announces that it has been selected as a 2019 Microsoft Partner of the Year Finalist in the Manufacturing and Resources category. The company was honored among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

This is ICONICS' eighth Partner of the Year recognition within the past decade. ICONICS previously won the 2018 Partner of the Year award in the Manufacturing category and, in past years, has won the award in several other categories including Application Development and within the CityNext initiative.

"ICONICS is honored to once again be recognized by Microsoft," said Russ Agrusa, President and CEO of ICONICS, "as a Partner of the Year Finalist for its achievements in Manufacturing and Resources worldwide over the past year. ICONICS software integrates with a wide extent of Microsoft technologies including Azure, SQL Server, Dynamics 365, HoloLens, Cortana, and more. Such recognition reinforces our commitment to furthering our successful working relationship."

"This honor celebrates ICONICS' strong track record in empowering companies across industries to seize unique digital transformation opportunities by leveraging advanced cloud, AI and IoT

technologies. We look forward to continuing our partnership together,” said Çağlayan Arkan, Global Lead Manufacturing & Resources, Microsoft.

Awards are presented in several categories, with this year’s winners chosen from a set of more than 2,900 entrants from 115 countries worldwide. The Microsoft Manufacturing and Resources Partner of the Year Award recognizes a partner organization that has developed and delivered exceptional Microsoft-based solutions to Manufacturing and Resources customers during the past year. Award winners demonstrate industry knowledge and expertise, as well as consistent, high-quality, predictable service or solutions to Manufacturing customers. They also demonstrate business leadership and success through strong growth in new customer additions and revenue by leveraging the latest Microsoft technology as their solution platform.

About ICONICS

[ICONICS](https://iconics.com) is headquartered in Foxborough, Massachusetts and is a global software developer of HMI/SCADA, IoT, mobile, analytics, and cloud software solutions for the manufacturing, industrial, and building automation markets. With over 350,000 installations in over 100 countries worldwide and running in over 70 percent of Global 500 companies, ICONICS software is recommended for automating, monitoring and optimizing a customer’s most critical assets. ICONICS was recently named the 2018 Microsoft Manufacturing Partner of the Year and is a six-time winner of the Microsoft Partner of the Year award.
